Such a feelin's comin' over me  
There is wonder in most everything I see  
Not a cloud in the sky  
Got the sun in my eyes  
And I won't be surprised if it's a dream

Everything I want the world to be  
Is now coming true especially for me  
And the reason is clear  
It's because you are here  
You're the nearest thing to heaven that I've seen

I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been  
around  
Your love's put me at the top of the world

Something in the wind has learned my name  
And it's tellin' me that things are not the same  
In the leaves on the trees and the touch of the breeze  
There's a pleasin' sense of happiness for me

There is only one wish on my mind  
When this day is through I hope that I will find  
That tomorrow will be just the same for you and me  
All I need will be mine if you are here

I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been  
around  
Your love's put me at the top of the world
