"Where Do I Go From Here?"

Autumn days lying on a bed of leaves
Watching clouds up through the trees
You said our love was more than time

It's colder now
The trees are bare and nights are long
I can't get warm since you've been gone
I can't stop singin' sad songs

Where do I go from here?
Tell me where do I go from here?
You said you'd take me through the years
So where do I go from here?

Lover's plans
Like fallin' leaves on windy days
Flutter past and they fly away
I thought I knew you oh so well

And I need you now
I need to feel you in the night
I need your smile so warm and bright
I wish my mind could let you go

Where do I go from here?
Tell me where do I go from here?
You said you'd take me through the years
So where do I go from here?

You said you'd take me through the years
So where do I go from here?
