you drive me crazy baby
oooh yea, you drive me crazy baby
when I'm thinkin about you
sometimes I just dont know at all
but I'm sure I should know...know by now
yeah yeah, yeah yeah,
why do you always do this to me
your acting like you don't know who to be
i thought i knew you baby, you were so true
we grew apart and now i don't know what to do
im going crazy baby yeah yeah yeah crazy for you!
why dont you see who i really want to be.
this is me and im going crazy for you,
because i sometimes think that...
I'm in love with you!
