Cab fare to nowhere  
Is what you are  
A white line to an exit sign  
Is what you are  
Oh, but I saw in you  
Now I see through

Don't shed a tear for me  
My life won't end without you  
Long as the night will be  
The sun will rise without you

A locked door on a candy store  
Is what you are  
A slim chance in tight pants  
Is what you are  
All that I loved you for  
I want it more

Don't shed a tear for me  
My life won't end without you  
Long as the night will be  
The sun will rise without you

You ain't giving  
What I'm not taking  
I'm not missing  
What we ain't making

Oh but I saw in you  
Now I see through

Don't shed a tear for me  
My life won't end without you  
Long as the night will be  
The sun will rise without you

Don't shed a tear for me  
My life won't end without you  
Long as the night will be  
The sun will rise without you

Don't, don't shed no tears  
I don't need, I don't need  
I don't need a thing  
I don't need no more crocodile tears  
So strong I am now  
I'll be alright  
I'm a pawn for you girl  
There won't be a game  
Ah ha ha...ah ha ha  
I feel it baby  
I don't need any crocodile tears  
As long as the night, baby  
You've got to have a limelight  
I won't shed a tear darlin'  
I won't shed a tear baby  
I won't shed a tear

(FADE:)

Don't cry for me  
Don't cry for me  
Don't cry for me, girl...
