Memphis hoes

Given up they mouth to the pimps of the house

Got seveteen dollars in my tank and I think if the hoes

Shit like ridin with a bitch all in my lap

Verse 3: Eightball

Yeah you know where I'm headin fool

Straight to the nigga with the herbs I gotta smoke a

But a nigga ain't drunk yet  
Waitin on a beep from this hoe I just met  
She's a star so I gotta get her put the mack down tight  
so I know I'm gonna hit her  
Split her, then get up and leave the hoe bitter  
cuzz I play her like myself does not want to get her  
Its still kinda early and I'm losing my buzz  
Stop by the crib smoke a spliff in the hot tub  
MJG is in the den gettin chwed on  
that nigga must be drunk he still got his shoes on  
I gotta broad in the kitchen cookin steaks  
I'm puttin on my clothes and I'm bout to hit the highway  
I got to get out this muthafuckin house so I can splurge  
on this playerz night out

on the strip  
Shorts glued down to they hips  
gotta a special kinda cup for my cognac  
Cuzz I lean back, take a sip, and show these hoes  
where my love at  
ridin down the avenue followin a stranga  
Stack it to the wall as I fire up another blunt  
MJG drucker than a muthafuckin fish with thirty-seven
