My lips could tell a lie, but My Heart Would Know.

It's a sin to make me cry

When you know I love you so

I could tell my heart that I don't miss you

My lips could tell a lie, but My Heart Would Know.

I could give you all the blame

But I'm sure the truth would show

I could tell this world I've found a new love

My lips could tell a lie, but My Heart Would Know.

I can't fool my cryin' heart

'Cause it knows I need you so

I could tell my heart I'm glad we parted

My lips could tell a lie, but My Heart Would Know.
