I see you everyday
I've known you for a while
You always say hello
I love the way you smile
Do you have any idea
What seeing you does to me?
I can feel you look in my direction
When will you give into me?
I wonder what it would be like
If we turned out the light
I wonder what it would be like
I'm longing for ya, wanna adore ya
Who would be the first to strike
If you stayed the night
I wonder what it would be like
To love you
Well don't you think it's strange
Fate brought you to my side
I was doing crunches
You were on a stationary bike
I had given up on love

I'd met to many freaks

Ever since I was 17

I've been on this losing streak

I wonder what it would be like

If we turned out the light

I wonder what it would be like

I'm longing for ya, wanna adore ya

Who would be the first to strike

If you stayed the night

I wonder what it would be like

To love you

You can look at someone and use your imagination

Or give in, give in, give in

Give in to temptation

I wonder what it would be like

If we turned out the light

I wonder what it would be like

I'm longing for ya, god I adore ya

Who would be the first to strike

If you stayed the night

I wonder what it would be like

To love you

I wonder what it would be like

If you would hold me tight

I wonder what it would be like

To love you

To love you

To love you
