They try to catch a falling star
Thinking that she had gone too far
She did but kept it hidden well
Until she cracked and then she fell
If all the history is true
She's gonna end up just like you
You made it to the other side
But tell me who will be my guide
They build you up so they can tear you down
trust the ocean you'll never drown
Who is next? Who's gonna steal your crown?
You'll see
I have learnt my lesson well
The truth is out there I can tell
Don't look back and don't give in to their lies
And goodbyes, northern star
Fulfil the longing in your heart
Then we will never be apart
And if they dare to question you
Just tell them that our love is true
They buy your dreams so they can sell your soul

Is it any wonder we've lost control?

Feelings come, feelings go

I have learnt my lesson well

The truth is out there I can tell

Don't look back and don't succumb to their lies

And goodbyes

Live your life without regret

Don't be someone who they forget

When you're lost reach out for me and you'll see

She's not far, nothern star

Northern Star

I have learnt my lesson well

The truth is out there I can tell

Don't look back and don't succumb to their lies

And goodbyes

Live your life without regret

Don't be someone who they forget

When you're lost reach out for me and you'll see

She's not far, nothern star
