Suddendly monday

Appears again

Where was the weekend

I lost it again

Run to the bus stop

It's never on time

I couldn't care less

Cos you make me feel fine

Whenever I'm down

You're always around

Maybe this time

True love I found

What would I do

If I didn't have you?

The things that you say

The things that you do

You make me high

I wish that you knew, I wish I could tell you

Together we'd fly

Open your eyes, start reading my mind

Same conversation

Every day
So much to ask you
But I can't find a way
Wherever you're going
Can I come along?
Whatever your star sign
Wherever you're from
The end of the day
And you're still around
My head's in the clouds
Feet on the ground
Maybe I should
And maybe you would
Maybe tonight
If only we could
You make me high
I wish that you knew, I wish I could tell you
Together we'd fly
Open your eyes, start reading my mind
Na, na, na, na, na, na, na, na, na
Na, na, na, na, na, na, na, na, na
[repeat to fade]
