Constipation - No defecation

I ate too many jalepanos
I've got burning asshole syndrome
I am sitting on the pot
A thousand farts that will not stop
I ate a little too much cheese
My pants are down below my knees
Sitting on a porcelain

Sitting in a lonely stall
I read this on the bathroom wall
"Here i sit all broken hearted
Tried to shit and only farted
Those who write on bathroom walls
Roll their shit in little balls
Those who read these words of wit
Eat those little balls of shit!"
