Here's a little story about a punk named Jed
Greasy stinky hair stuck out his fuckin' head
Arrogant and macho and stupid as can be
Always quick to tell me he's more punk than me
This is an example of what a jerk he is
He think he's some kind of punk rock whiz
He said if I was really punk I'd listen to The Germs
I smelled his stinky breath and I started to squirm

I hate punk rock
I hate punk rock
I hate punk rock
I do I do
I hate punk rock
I hate punk rock
I hate punk rock
Because of guys like you

I remember one time I was dancin' at a show
A poppy kind of band and Jed said they blow
That stuff is for guys who just want to get laid
He asked me what I thought but didn't wait for me to
say
This is what I think about his attitude
He doesn't have to be so snotty fucking rude
And thinking for yourself doesn't mean you have to be
a jerk
Being arrogant and ignorant doesn't take much work

I hate punk rock
I hate punk rock
I hate punk rock
I do I do
I hate punk rock
I hate punk rock
I hate punk rock
Because of guys like you

I hate punk rock
I hate punk rock
I hate punk rock

I do I do
I hate punk rock
I hate punk rock
I hate punk rock
Because of guys like you
