Don't wanna close the door

Don't wanna give up on it

Don't wanna fight no more

We'll find a way around it

Where's the love that we had?

We can make it last

Tell me what I gotta be

Tell me what you wanna do

Cause I can't live my life

The way you want me to

You know I can't go on

Living like we do

Do I have to cry for you?

Do I have to cry for you?

So tell me what it's for

If there's no winner in it

Nobody's keeping score

Let's start from the beginning

Can we make it last?

With the love we had?

Chorus

Tell me what I gotta be
Tell me what you wanna do
Cause I can't live my life
The way you want me to
You know I can't go on
Living like we do
Do I have to cry for you?
Do I have to cry for you?
Do I gotta stand in the cold dark night til the morning
light yeah
Do I have to say I won't let you get away...
What do I gotta be
Tell me what you wanna do
Cause I can't live my life
The way you want me to
You know I can't go on
Living like we do
Do I have to cry for you?
Yeah.... yeah.....
You know I can't go on living like we do
Do I have to cry for you?
Do I have to cry for you?
