There's no winners

And there's no losing

All we've got is what we are

Yeah

One mistake and

I got you breakin

This time I think I've gone too far

Baby tell me why we don't speak

Open your heart

To me

Love me tonight

Chorus:

Don't walk away

Baby

You gotta hear me say

I'm sorry

You know I'm not afraid

To say that it's me

Don't walk away

I'm sorry

I'm sorry

Why's it hard to
Get inside you
Is it too late to make a start
You know I need you
Because I breathe you
And with every breath I fall apart
Baby tell me what's left of me
If you're not right next to me
Baby I'd die

Chorus

There's no reason to cry
When you're drowning yourself
In your tears tonight
Part of me dies
And you know it's not right
Yeah

And you know it's not right

Chorus
