To all my girls in the USA

Ya got a fine thing goin

So I gotta say

You been good to me

So now I'm down

Gotta drop the line

Gotta give me a shout

LA girls give me the sign

See you on the strip

Lookin too damn fine

My Texas honey's

Always on the road

Gimme lots of love at the Alamo

To my DC girls

Workin 9-5

With the business suits

Keep the country in line

All the Tampa girls

Lemme hear ya scream

On the Ybor strip

Walkin on the street

Chorus

Why

Does she walk that way

Walk that way

Why

She spends my money the American way

Why

Coast to coast

New York to LA

Why

To all my girls in the USA

I got a little thing in the Denver hills

A real fine mama

With sex appeal

And Boston's got the ones I love

With the college girls

At the Aria

And I've always been down with the NYC

Cuz I love the legs

Of miss Liberty

Hawaii girls

Give me the lei

When I wanna treasure hunt

For some canday

And I still gotta get my desert fix

With some Vegas girls

Who know special tricks

To my Carolina girls

Lemme rock you all

To my Jersey girls

Chillin at the mall

Chorus

Why

Does she walk that way

Why

She wears stars and stripes

And she's ready to play

Why

Coast to coast

New York to LA

Why

To all my girls in the USA

Girls in the USA

She'll make it hot when ya

Girls in the USA

Shake what you got for me

From the east coast

To the west coast

All around the world we're singin

Girls in the USA

She'll make it hot when ya

Girls in the USA

Shake what ya got for me

From the north town

To the dirty south

All around the world we're singin

To all the girls

That I might've missed

Don't take offense

You're on my list

If you wanna yell

Lemme hear ya say

God bless the girls of the USA

Chorus
