Girl I dunno what to say

I feel so insecure

So I start off by sayin a cliché

Like I've seen you before

Yeah

But why play games

In all these dates

Who needs flowers

When all you wanna say is

Chorus

I just wanna take you home

We can make a story of our own

Please don't get me wrong

I just wanna

Don't you hate it when you sweat

And it makes you go real numb

Then you get that feeling of regret

And it makes you wanna run

But then I am playing nice

Meeting your parents

When all I wanna say is

Chorus

Tell me that you feel the same

Someone please explain

Why we have to play games

Instead of just saying

Chorus
