I'm just tryin to figure out  
What's wrong with your head  
Everytime I look around  
You're somewhere else instead  
I wanna ask you why  
But everytime I try you cry  
And I want you to know  
When you're floatin in space  
And I want you to know  
If you ever come back down  
And I need you to know  
Chorus:  
I wanna breath you  
I wanna feel you near  
This is my confession  
I wanna see what you see  
When you cry those tears  
Gimme just a second  
What am I to do  
Maybe it's obsession  
But this is my confession

I confess

Everytime I come around

Something's always got you down

And I don't understand why

And if you wanna tell me

I'll be the angel on your shoulder baby

I'll be the man that you confide in

But I I can't seem to run

Or get you out that place

But everything you do

Is just

Erasing the pain

The hatred inside

I can't ask why

And I want you to know

When you're floatin in space

And I want you to know

If you ever come back down

And I need you to know

Chorus twice

And I want you to know

When you're floatin in space

And I want you to know

If you ever come back down

If you ever come back down

## Chorus
