I don't care about the summer breaks

Don't know much about love

And I don't care

about the look of my hair

'Cause I'm not like you

And Iâ€™ve been flurting too

much with the creeps

That is what Iâ€™ve been told

I took a walk on the wild side of life

'Cause I'm not like you

Ahhh... Ahhh...

Between the sadness and tenderness

The cab driver guy is my friend

I look around me and all I can see

Is that I'm not like you

NO!

I'm not who you are

And no matter how much

I believe that ain't true

I'm not like you

All the people that lived on my street

They remind me of who I've become

I can put on a show

but I can't win them back

Gotta find a way on my own

But it won't be like home

NO!

I'm not who you are

And no matter how much

I believe that ain't true

I'm not like you

And sometimes I try (something)

But someone told me (something)

But who would give a damn about (leaving their cell
phone on?)

Until then, it's on

I'm not like you

I'm not like you

NO!

Don't tell me it's hard to believe

there's something out there

'Cause no matter how much

I believe that ain't true

I'm not like you

No!

I'm not like you

Whoa!

I'm not like you

And no matter how much

I believe that ain't true

Me too

I'm not like you

I don't care about the summer breaks

Don't know much about love

And I don't care

about the look of my hair

'Cause I'm not like you
