It's a payback

Get outta my face

Get outta my pocket

Get off of your free ride

And get right out of my sight

It's a payback

Get off of my case

Get off of my lady

Get into your fat Mercedes

And right outta my life (2x)

You walk in, right into my world

Right into my backyard

I gave to you all that I got

You gave to me jack

And you pretend

To be my friend

But you're surrounded

When all this time, you turned it

Enough, off of my back

and now

Chorus

How does it feel to be down on your knees

Tell me, how does it feel for ya

How does it feel to be down on your knees

Tell me, how does it feel for ya

I'm chillin' with the boys from the south

Better make a word cause you know it's gonna go down

I say everything that you say

And by the way did you say that you couldn't make a
better day

Better leave real quick cause you know me

Everything I do, everything I fake

It's a payback, and it's all

Take a listen to the words of the song

Chorus

You say you're sorry now

That you feel bad about it

You make it up to me

There ain't no doubt about it

You must think I'm a fool

That I was born yesterday

Some kinda simple sucker

There's nothing you can say

You stupid mother...

Payback

Payback

Payback

Chorus
