Scandalicious.....

I entered the party ready to leave

When somebody offered me "Sex On The Beach"

I turned around and got in shock at first

I got a feeling that she must have smelled my thirst

She must be...

CHORUS

Scandalicious, Oh yeah

Caught in a cat suit a package so cute

Scandalicious, Oh yeah

you know that, baby now I want you

Baby I can see you want me too

Hot and scandalicious

Oh, bedtime delicious

There's not any interest in touchin' our hearts

I guess we're just on to every other part

She started playin' tricks with my mind, oh yeah

You know this kinda thrill makes me blind, oh yeah

She must be...

CHORUS - repeat

We slowly reach into our minds

We're getting there and nothin's left behind

We're sayin' things without a word

It's so obscured, I'm stuck on this one line

All I want is to be hers

'Coz she's so...

CHORUS -repeat

Hot and scandalicious
