and you look so fine

all I ever wanted

is to make you mine

Chorus:

Give me

a clue

tell me what I need to do

to get lucky with you

Verse 2:

Boy I really love you

with my heart and soul

honey won't you take me

where I want to go

Chorus:

Give me

a clue

tell me what I need to do

to get lucky with you

Hook:

Getting lucky

hmmm getting lucky

is what's its really all about

getting lucky

hmmm getting lucky

its something I can't do without

Verse 3:

Honey I've been waiting

waiting patiently

let me unlock you're heart boy

I think I got the key

chorus 2x

give me a clue

won't you tell me what i need to do to get lucky with
you(repeat until fade)
