When she hasn't been there for me...

A friend and companion,

I can always depend on,

My mother, that's who I need...

Taken for granted,

She said she planned it,

She's always behind everything...

A teacher, a seeker,

I'd go far to reach her,

My mother, that's who I need...

Wish I could slow down

The hands of time...

Keep things the way

They are...

If she said so,

I would give her the world if I could,

I would...

My love and my laughter,

From here ever after,

Is all that she says that she needs...

A friend and companion,

I could always depend on,

My mother, that's who I need...

My mother, that's who I need...

That's who I need.
