[Danny]

Excuse me ladies and gentlemen

If you would be so kind

Got someone very special here

She's 'bout to speak her mind...

[Sawyer]

I gotta song to sing

If you don't like my song I'm gonna sing it anyhow!

I gotta dream in my heart!

Yeah! Nothin's gonna stop us now!

[Both]

Take 4 and 20 that way

And bake it in a pie

Before you put it in the oven, babe, you know they're
gonna fly

[Danny]

Say curiosity killed the cat?

I'm livin' proof that that's a lie!

[Both]

Now I'm gonna tell you why!

Yeah! Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us now!

Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us now!

[Sawyer]

And if I wanna dance I'll dance!

(she'll dance!)

That's my song and I will allow!

Dance and sing all night long!

Nothing's gonna stop us now!

Yeah! Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us

Yeah!

[D.W]

You smell that? Well, that's the smell of danger!

The smell of danger is my middle name

I've been very quiet

But I've got a lot to say, believe me!

[Farnes and Cranston]

You ain't goin' with us then stay out of our way!

[Tilly]

Oh! Lock down, rock down, shock down, flock down,
held down, fell down every time!

Push back, push back, Hey all! C'mon back!

When you got yours you musta got mine!

Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us now!

[Sawyer and Danny]

I gotta feeling inside!

The moon! And its love! Without a doubt!

Oh I got someone I'm crazy about!!

Nothing's gonna stop us now!

Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us now!

Nothing's gonna stop us

Nothing's gonna stop us

Nothing's gonna stop us now!
