[Lil' Mo]

Damn, I got honey right here  
I like to make her go  
Recipient of multiple heartbeats  
I'll even tell her the true dog  
I'll tell her the truth, yeah  
Damn, whatever, yo  
Just kick it with us

[Case]

[Chorus]

Tell me what you want from me  
Tell me what you like and  
I'm gonna give it to you  
I'm gonna give it you, baby  
Tell me all your secrets  
Baby, I'll tell you mine  
Love to make your dreams come true

I've been lonely for a long, long time  
Don't quite know what love is, so I spread it around  
(get your hopes around)  
She was from a distance, didn't know what to say  
But I knew you were the one for me (I like that)  
The perfect one for Case, you did, too

[Chorus]

When my last love went away  
(what you gon do now?)  
How was I to know (think of it)  
That a love you could play for fool (fool)  
More often than you know  
Yeah, guess my love wasn't good enough  
Cuz she said she couldn't stay (see ya)  
And I find it so amazing  
(amazing, I really can't wait)  
But it's bright here today

[Chorus]

[Chorus]

Won't you tell me  
Now tell me good, oohhh  
Tell me that you like it, yeahh  
Tell me something good  
Tell me that you love me, yeah

[Chorus to end]
