[Chorus]

[C-Murder]

Coppers, choppers

trying to catch C cause im slanging these rockers
leave me alone, I wanna go home

gotta whatch my back when I leave my house
cause they trying to get a rep, when they taking niggaz

but I never hesitate to blast a cop
but when it all boils down either me or him drops
dis goes out to you punk ass hoes
when you see me pass, let me go
or ima get my gat and peel some caps
cause when im driving I keep my shi in my lap
so dont search my car, check my wheels
unless you ready to shoot I pay the funeral bills
thats what I say its too late to play
and if you think im playing just make my date
from the pork police to the punk ass rights
stop doing what your doing it could value your life
cause niggaz in the hood getting tired of that shit

so dont stop me pig when yousee my vogues
cause im simply sweated by the po po's

[Master P]

Me kill a cop, kill a cop, me put the pig in the box with

Me kill a cop, kill a cop, me put the pig in the box with
me glock
Me kill a cop, kill a cop, me put the pig in the box with
