And we don't give a fuck who you be run-nin with

So don't forget

[Eightball]

Gotta keep it.. gangsta

How many of y'all know a real gangsta?

Cutthroat, leave you in ya car shanked up

At the ATM machine, in yo' Lexus

You must be on that dust wanna come test us

My fam is monsters like my name Fester's

One deep but yo I got eighteen guns

Thirty-six clips, two for each one

Ride out, bet a nigga use at least one

Uzi out the sunroof, bitch you betta run

I roll wit them boys out the 9-0-1

7-1-3 to the 2-8-1

You hate one nigga like me so

I keep 32's 38's 44's

I speak for myself no cliques no gang

I rap but a nigga will clap them thangs

[Hook - 4X]

[]

Me and my bitch drunk as hell, steady smokin (smokin)

Pass it to ya moms in the backseat, she chokin (chokin)

Dippin through the toll booth nigga with no token

Pedal to the metal, hooptie hit the blocks and

Shorty shootin yellow paintballs at the cops shit

White kids parents in the front yards is watchin

Actin like The Beatles is here, givin me props and

I'm half-naked in the car with my boots on

Tanned it out, passin the hunnies, gettin my woof on

Think I won't fuck a fat bitch, ya dead wrong

You pretty yellow bitches is gettin the head song

slurping

Wantchu to hump wit it
Workin it like ya doin Tae-Bo and use ya tongue wit it
When dawg get my bricks, we jump in the six
Old school, porno flicks, Walter D in the mix (dick walk)
Dunns with more guns than Pun shot uhh

[Hook - 4X]

[Thorough]

First of all, know this, I ain't a new nigga
So don't act surprised when I come and do niggaz
Made ya crew give up, somebody say "uncle"
Slumped him over slow with the rifle let one go
Uncomfortable, bleedin bad, and turnin blue
That's the way me and my niggaz like to leave you
We true gangstaz, equipped with the guns and drugs
Mean mugs, actin bad just because
That's how it does and ya damn sure gon' respect it
Get K.O.ed like Tekken or took out with the tec and
Ya best bet is to invest in a body suit
And be well-protected, when we come through
Screw .22's we got military issued
High powered artillery, to come and get you
And you gon' get Godful with that punk shit
Nah you ain't slick trick you just forgot who runs dis

[Hook - 4X]
