Writer: Johnny Cash

I was on my way to you and I was worried

I was all torn up and nervous

'Cause I knew that you'd be gone

I knocked and crossed my fingers while I waited

And I couldn't hide the teardrops

When I walked away a- lone.

CHORUS

It's All Over, It's All Over

My heart echo- es [It's All Over]

Ev'ry minute that you cry for her

Is wasted don't you know

It's All Over, It's All Over

So forget her [It's All Over]

Stop your cryin'

Turn around and let her go.

I was runnin' 'round in circles like a baby

I was in a daze because

I loved you so, I couldn't see

I was broken in a million little pieces

When I saw enough to realize You didnt care for me.

CHORUS
