Written by Marty Robbins  
(As performed by Johnny Cash)

Well I saw you with another  
It made me lose my mind  
Shot you with my '38  
And now I'm doin' time  
And you put me here  
You put me here  
Well there's no way to doubt  
There ain't no two ways about it  
As sure as your name's Kate  
You put me here

I've been tryin' to tell 'em  
That I didn't do no wrong  
Only gave you what you been  
Deservin' all along  
And you put me here  
You put me here  
There ain't no use denyin'  
You done it with your lyin'  
As sure as your name's Kate  
You put me here

Well the jury found me guilty  
They wouldn't hear my plea  
I listened as that judge said  
Murder in the first degree  
And you put me here  
You put me here  
Well there ain't no need to doubt  
There ain't no two ways about it  
As sure as your name's Kate  
You put me here

Now the warden and the preacher  
They're lettin' me go slow  
It won't be long until I'm gone  
Just thirteen steps to go  
And you put me here

You put me here  
There's just one way to figure  
Your cheatin' pulled the trigger  
As sure as your name's Kate  
You put me here  
Well there ain't no need to doubt  
There ain't no two ways about it  
As sure as your name's Kate  
You put me here

Kate, you just plain bad, you know that...
