Take one fresh and tender kiss Add one stolen night of
bliss One girl, one boy, some grief, some joy Memories
are made of this.

Don't forget a small moonbeam Fold it lightly with a
dream Your lips and mine to sip the wine Memories are
made of this

Then at the wedding bells One house where lovers
dwell Three little kids for the flavor Stir carefully
through the day See how the flavor stays These are the
dreams that we must savor

With His blessings from above Serve it generously with
love One man, one wife, one love for life Memories are
made of this
