You wired me awake And hit me with a hand of broken
nails You tied my lead and pulled my chain To watch
my blood begin to boil

But I'm gonna break I'm gonna break my I'm gonna
break my rusty cage and run

Too cold to start a fire I'm burning diesel, burning
dinosaur bones I'll take the river down to still water And
ride a pack of dogs

I'm gonna break I'm gonna break my I'm gonna break
my rusty cage and run

Hits like a Phillips head Into my brain It's gonna be too
dark To sleep again Cutting my teeth on bars And rusty
chains, I'm gonna break my Rusty cage and run

When the forest burns Along the road Like God's eyes
In my headlights When the dogs are looking For their
bones And it's raining icepicks On your steel shore

I'm gonna break I'm gonna break my I'm gonna break
my rusty cage and run
