There's a southern accent, where I come from  
The young'uns call it country The Yankees call it dumb  
I got my own way of talkin' But everything is done, with a  
southern accent Where I come from

Now that drunk tank in Atlanta's Just a motel room to  
me Think I might go work Orlando If them orange  
groves don't freeze I got my own way of workin' But  
everything is run, with a southern accent Where I come  
from

I got my own way of working When everything is wrong  
With a southern accent Where I come from

For just a minute there I was dreaming For just a  
minute it was all so real For just a minute she was  
standing there, with me

There's a dream I keep having Where my mama comes  
to me And she kneels down over by the window And  
says a prayer for me I got my own way of prayin' But  
everyone's begun With a southern accent Where I  
come from

We have our own way of livin' But everything is done  
With a southern accent Where I come from
