looking for truth, tribal groups tap into ancestral roots
Artistic youth paint rocks with ancient crayons Applying
warpaint on my arms to perform a seance It's tradition,
african drums beat in unison Bushman aborigine &
peep each other wisdom round the bush fire The north
star light in the sky, the Hottentot gatherer lets his

shake shaker She fell for this man from Botswana land,
we deep Kiwi sweet now she got diamonds on the soles
of her feet Celebrate with the Kalabash, walk long
distance for water taps My grandma gramophone use
banana peels for slip mats and now the Hottentot..
