What's the matter with the clothes I'm wearing?  
Can't you tell that your tie's too wide?  
Maybe I should buy some old tab collars?  
Welcome back to the age of jive  
Where have you been hidin' out lately, honey?  
You can't dress trashy till you spend a lot of money  
Everybody's talkin' 'bout the new sound  
Funny, but it's still rock and roll to me

What's the matter with the car I'm driving?  
Can't you tell that it's out of style?  
Should I get a set of white wall tires?  
Are you gonna cruise a miracle mile?  
Nowadays you can't be too sentimental  
You best bet's a true baby blue Continental  
Hot funk, cool punk, even if it's old junk  
It's still rock and roll to me

Oh, it doesn't matter what they say in the papers  
'Cause it's always been the same old scene  
There's a new band in town  
But you can't get the sound from a story in a  
magazine...

Aimed at your average teen

How about a pair of pink sidewinders  
And a bright orange pair of pants?  
You could really be a Beau Brummel baby  
If you just give it half a chance  
Don't waste your money on a new set of speakers  
You get more mileage from a cheap pair of sneakers  
Next phase, new wave , dance craze, anyways  
It's still rock and roll to me

What's the matter with the crowd I'm seeing?  
Don't you know that their out of touch?  
Should I try to be a straight 'A' student?  
If you are then you think too much  
Don't you know about the new fashion honey?  
All you need are looks and a whole lotta money  
It's the next phase, new wave , dance craze, anyways

It's still rock and roll to me  
Everybody's talkin' 'bout the new sound  
Funny, but it's still rock and roll to me
