I was 8 years old at the Astro Dome  
Waiting in line to pee pee  
The urinal line seemed to take forever  
Then it finally came down to me  
I unzipped my toughskins  
And pulled out my little wee wee  
Some drunk guy said "Hurry Up KID!"  
But I couldn't spring a leak

I can't pee in front of you  
But you can pee in front of me  
I can't help it I've got stage fright  
I've got Urinary Anxiety

And so it has been for 15 years  
And I can't seem to shake my pee pee fears  
I've gotta have a lock on the bathroom door  
Before I can make the water fall on the floor  
Can't wait for the moment in the shower  
Hot water on my chest full power

Laugh as the lemonade hits the porcelain

I can't pee in front of you  
But you can pee in front of me  
I can't help it I've got stage fright  
I've got Urinary Anxiety

I'm getting better at breaking boundaries  
I'm learning to let myself be free  
But whether I want this war or not  
We'll just have to wait and see

When I can whip it out anywhere  
Whether or not anybody's there  
When I can just relax and pee  
Then I can declare victory

I'm on a mission  
I don't need no permission

I can pee in front of you

And you can pee in front of me  
I ain't got no more stage fright  
No Urinary Anxiety
