[CASSIDY]

If theres anybody dat do it big in the hotel

Its me see I practically live in the hotel

I put in work in the street

So I can afford to spend 10 grand on room service a week

I got the top chef makin my lunch

And the tip the waiter get prolly more than he make in a month

I'm in the hot tub breaking a blunt

I got 4 freaks in my suite all getting naked at once

While their girlfriends wait in the front

I got plenty cigars and plenty bottles and they not from the mini bar

I got Swissy looking out for me

I'm in the presidential you can see the whole city from my balcony

[Chorus]

We're vacationing somewhere on an island

(we chillin [4x])

Drinks of all kind

(we chillin [4x])

I'm feelin the way you carry urself girl

And I wanna get wit you cuz yous a cutie

So if you wanna cum to my Hotel

All you gotta do is holla at me
