I know that I shouldn't have had you waiting at all
I've been so busy, but I've been thinking about what I
wanna do with you

Bridge-
I know them other guys, they been talking bout the way
I do what I do
They heard I was good, they wanna see if it's true
They know you're the one I wanna give it to
I can see you want me too
Now, it's me and you

Chours-
It's me and you, now
I've been waiting (Waiting)
Think I wanna make that move, now
Baby, tell me if you like it (Tell me if you like it)
It's me and you, now
I've been waiting
Think I wanna make that move, now
Baby, tell me *if you like it

Cassie-

I know what to do, if only you would let me
As long as you're cool with it, I'll treat you right
Here is where you wanna be

Bridge-

Ray J-

Get cha glass ready
Yep, your songs on
She's getting so hot, she can't keep her clothes on

Ray mack and Kells, hotels for Cassidy
We take it to the tour bus, this ones nasty
You can see if she's cluck, and here's my introduction
And, we can do it all damn night with no interruption
Chingy or Nelly, it's your boy Durell
Getting big spends with Ray J and Durelly

Chours-

It's me and you, now (Oh Yea-aa)
I've been waiting
Think I wanna make that move, now (Move now)
Baby, tell me if you like it (Tell me if you like it)
It's me and you, now (Yea)
I've been waiting
Think I wanna make that move, now (Gonna make a
move now)
Baby, tell me how you like it (Uh-huh)
It's me and you, now (Me and you)
I've been waiting (It's just me and you)
Think I wanna make that move, now (It's just you)
Baby, tell me if you like it (It's just me and you, now)
It's me and you, now (I've been waiting)
I've been waiting (You know I've been waiting)
Think I wanna make that move now (Gonna make a
