Hip hip hurray

I've been inside most of the day

Got no family

I can find at short notice

The only joy I got

Must be in the past yeah

Take a step out on your own

Breathing all of freedom's air

So lonely at first you just cannot see

The price of independence feeds

Feeds eternity

I feed eternally

From my own bravery

There's a single thousand people

Milling around

Trying their best to tear that year down

In with the old

Out with the new

Ain't nothing going to change if you don't adjust what
you're used to

Take a step out on your own

Breathing all of freedom's air

So lonely at first you just cannot see

The price of independence feeds

Feeds

Take a step out on your own

Breathing all of freedom's air

So lonely at first you just cannot see

The price of independence feeds

Feeds eternity

I feed eternally

From my own bravery

I feed eternally

From my own bravery

I feed eternally

From my own bravery

I feed eternally30 Odd Foot of Grunts Lyrics Index
