Inside Her Eyes

(Crowe)

A turn of your head says

I've met you before,

You say that's not possible

But I could have sworn,

That I asked you the difference

Between sensuous and sexy,

You said I know who you are,

That kind of perplexed me.

Inside her eyes,

That's where I want to be,

Inside her eyes,

But I never rush in, I wait for the call.

It's not that she scares me as much as the fear,

Of giving so much, needing so little,

Of loving so gently

My heart never meant me to fall.

Inside her eyes

Now I could be giving too much away,

The way that I'm moving,

Everything I say,

Hey now don't say you won't try to tell me

You don't feel the same,

I picture your eyes I whisper your name

Inside I'm screaming,

Outside I'm sane,

Soon as your leaving

I need you again,

Left with my dream

But it's just not the same

As inside her eyes (that's where I want to be)

Inside her eyes (that's where I want to be)

I picture your eyes, I whisper your name,

Inside I'm screaming,

Outside I'm sane,

Soon as you're leaving

I need you again,

Left with my dream

But it's just not the same

As inside your eyes (that's where I want to be)

Inside her eyes (that's where I want to be)
I never, I never, I never rush in (that's where I want to
be)
I never, I never, I never rush in (that's were I want to be)
Oh baby, I never rush in (that's where I want to be)
Inside her eyes (that's where I want to be).30 Odd Foot
