Just one look at you

My heart grew tipsy in me

You and you alone

Bring out the Gypsy in me

I love all the many charms about you

Above all, I want my arms about you

Don't be a naughty baby

Come to mama, come to mama do

My sweet embraceable you

{instrumental interlude}

I love all the many charms about you

Above all, I want my arms about you

Don't be a naughty baby

Come to mama, come to mama do

My sweet embraceable you
