you. you try. you try to get by. "you're never going to  
pull it off" "you  
shouldn't even try" "you're a wet cigarette" "you're  
always second best" but  
they're never going to give a shit about anybody but  
themselves. you fight.  
for them to realize. there's more to life there's more to  
you there's more  
than meets the eye. and when you're done, the battle's  
been won. you sit back  
you smile and this is what you hum, you hum:

time that passes oh,  
so quick and it seems like nothing but when you're

friends. i've got my  
little family but that's not where it ends. this one goes  
out to you. it goes  
out to everyone. it's in the name of honesty because  
life has just begun.....  
12341234....look around little brother can you tell me  
what you see? you're a  
big boy now so take responsibility. you never had it  
hard but now it's getting  
tough so you whine whine whine and you say you've  
had enough. you say i'm full  
of shit? that i'm a hypocrite? i shouldn't talk when i  
can't take the advice  
that i give? well maybe you're right but open your eyes:  
the main difference  
here is that i try try try
