well i know i shouldn't care but i do and i don't and i
always crack a smile

when i see your punk rock clothes and you try try try but
you never fit in and you're never going to so pack it up
pack it in, so there. steve took three or four heather
took more. she lit a cigarette and they're walking out
the door with a semi automatic and a ski mask on they
look to one another and they say to themselves "what
fun". well i never want to bother and i never want to
hover over his or her affairs because that's not fair and
it seems to me that you're running out of time and it
seems to me like you're never going to do what's right
jack dropped 21, jill 22. the look in his eye said "brother
what are you going to do with a 9mm and a three piece
suit?" they look to one another and say "hey
motherfucker, who's the fool?"
