you. you try. you try to get by. "you're never going to
pull it off" "you

shouldn't even try" "you're a wet cigarette" "you're
always second best" but

they're never going to give a shit about anybody but
themselves. you fight.

for them to realize. there's more to life there's more to
you there's more

than meets the eye. and when you're done, the battle's
been won. you sit back

you smile and this is what you hum, you hum:
....12341234.... the years go by.

the time it does fly. every single second is a moment in
time that passes oh,

so quick and it seems like nothing but when you're
looking back well it

amounts to everything. i've got myself. i've got my
friends. i've got my

little family but that's not where it ends. this one goes
out to you. it goes

out to everyone. it's in the name of honesty because
life has just begun.....

12341234....look around little brother can you tell me
what you see? you're a

big boy now so take responsibility. you never had it
hard but now it's getting

tough so you whine whine whine and you say you've
had enough. you say i'm full

of shit? that i'm a hypocrite? i shouldn't talk when i
can't take the advice

that i give? well maybe you're right but open your eyes:
the main difference

here is that i try try try
