well i know i shouldn't care but i do and i don't and i
always crack a smile

when i see your punk rock clothes and you try try try but
you never fit in and

you're never going to so pack it up pack it in, so there.
steve took three or

four heather took more. she lit a cigarette and they're
walking out the door

with a semi automatic and a ski mask on they look to
one another and they say

to themselves "what fun". well i never want to bother
and i never want to

hover over his or her affairs because that's not fair and
it seems to me that

you're running out of time and it seems to me like
you're never going to do

what's right jack dropped 21, jill 22. the look in his eye
said "brother what

are you going to do with a 9mm and a three piece
suit?" they look to one

another and say "hey motherfucker, who's the fool?"
