well i know i shouldn't care but i do and i don't and i  
always crack a smile

when i see your punk rock clothes and you try try try but  
you never fit in and you're never going to so pack it up  
pack it in, so there. steve took three or four heather  
took more. she lit a cigarette and they're walking out  
the door with a semi automatic and a ski mask on they  
look to one another and they say to themselves "what  
fun". well i never want to bother and i never want to  
hover over his or her affairs because that's not fair and  
it seems to me that you're running out of time and it  
seems to me like you're never going to do what's right  
jack dropped 21, jill 22. the look in his eye said "brother  
what are you going to do with a 9mm and a three piece  
suit?" they look to one another and say "hey  
motherfucker, who's the fool?"
