Is it me or is the planet getting bigger?
Ok
Paranoimia
On trumpets, the fourth trumpet
Peter O'Tool, just having a rest between bars
On drums, it's the pope
On baseline, Martina Na...Eh, god I shouldn't worry
I hear she's getting married
And on mic (Mike), the lovely Cher
Ok mike?
Thank you
I'll take over now
And let's have a little taste of that old computer
generated swagger
Yes
Swagger, yep

One, two, three

Trust me. Yes.

Perfect. Will I still be perfect tomorrow?
