I've been dreaming of things yet to come
Living, learning, watching, burning
Eyes on the sun

I'm leaving, gone yesterday
Brutal, laughing, fighting, fucking
The price I had to pay

Bright lights, big city
She dreams of love
Bright lights, big city
He lives to run

To run, to run
To run, to run
To run, to run
To run, to run

Demon, where did my angel go?
Vacant, vapid, stupid, perfect
You are the one

A new day
A new age
A new face
A new lay
A new love
A new drug
A new me
A new you

Bright lights, big city
She dreams of love
Bright lights, big city
He lives to run

Oh ohoh, oh ohoh
Oh ohoh, oh ohoh
Woh Oh Oh
Oh ohoh, oh ohoh
Oh ohoh
Oh oh, oh ooh
