There was truth
There was consequence against you
A weak defense, then there's me
I'm 17, and looking for a fight
All my life, I was never there
I'm just a ghost, running scared
Here our dreams are made, the one

Lost in the city of angels
Down in the comfort of strangers
I found myself in the fire burnt hills
In the land of a billion lights

Bought my fate, straight from hell
A second sight is paid off well
For a mother, a brother and me
The silver of the lake at night
The hills of Hollywood on fire
A boulevard of hope and dreams
And streets made of desire

Lost in the city of angels
Down in the comfort of strangers
I found myself in the fire burnt hills
In the land of a billion lights
(Angels, Angels)

I am home, home, home, home.

Lost in the city of angels
Down in the comfort of strangers
I found myself in the fire burnt hills
In the land of a billion lights

One life, one love

The city of angels...
