You were comming Nicky
I guess you could say she was a sex fool
I met her in a hotel lobby materbating with a magazine
She said how would you like to waste some time
And I could not resist when I saw little Nicky cry

She took me to a castle and I just couldn't belive my
eyes
She had so many devices everything that money could
buy
She said sign your name on the dotted line
The lights went out and nicky started to cry

(waaaaa!)
(oh)

Castle started scaring me
Mabe it was my brain
I can't tell you what she did to me but my body will
never be the same
I'll be able to kick your behind
(show you no mercy)
But she will show ya (show ya)

Woke up the nexy morning
Nicky wasn't there
I looked all over and all I found was a phone number on
the stairs
It said thank you for the funky time
Call me up whenever you want to grind

(waaaaa!) (I don't need it)
(oh)
(come on nicky come on)
