You know enough to know the way  
Six billion people, just one name (I found)  
I found tomorrow in today  
Apocalyptic and insane, my dreams will never change

You wanna be the one in control  
You wanna be the one who's alive  
You wanna be the one who's sold  
It's not a matter of luck,  
It's just a matter of time

Stand out on the edge of the earth

Stand out on the edge of the earth,  
Dive into the center of fate  
Walk right in the sight of a gun,  
Look into this new future's face

I know you know enough to...say  
I know you know enough to...play a game

You wanna be the one in control (control)  
You wanna be the one who's alive (alive)  
You wanna be the one who's sold (is sold)  
It's not a matter of luck,  
It's just a matter of time

Stand out on the edge of the earth,  
Dive into the center of fate  
Walk right in the sight of a gun,  
Look into this new future's face  
(x2)

(Stand out on the edge of the earth)

Stand out on the edge of the earth  
Stand out on the edge of the earth  
(Look into this new future's face)

Stand out on the edge of the earth  
(stand out on the edge of the earth x2)

Dive into the center of fate  
Walk right in the sight of a gun  
(walk into the sight of a gun)  
Look into this new future's face
