He's a stranger to some  
And a vision to none  
He can never get enough,  
Get enough of the one

For a fortune he'd quit  
But it's hard to admit  
How it ends and begins  
On his face is a map of the world  
(A map of the world)  
On his face is a map of the world  
(A map of the world)

From yesterday, it's coming!  
From yesterday, the fear!  
From yesterday, it calls him  
But he doesn't want to read the message here

On a mountain he sits, not of gold but of sin  
Through the blood he can learn,  
See the life that he turns  
From a council of one  
He'll decide when he's done with the innocent

Oh his face is a map of the world  
(A map of the world)  
Oh his face is a map of the world  
(A map of the world)

From yesterday, it's coming!  
From yesterday, the fear!  
From yesterday, it calls him  
But he doesn't want to read the message  
He doesn't want to read the message  
He doesn't want to read the message here!

On his face is a map of the world

From yesterday, it's coming!  
From yesterday, the fear!  
From yesterday, it calls him  
But he doesn't want to read the message here

From yesterday,  
From yesterday,  
From yesterday, the fear  
From yesterday,  
From yesterday,  
But he doesn't want to read the message  
He doesn't want to read the message here  
He doesn't want to read the message here!
