Until you crash  
Until you burn  
Until you lie  
Until you learn  
Until you see  
Until you believe

Until you fight  
Until you fall  
Until the end of everything at all  
Until you die  
Until you're alive!

Don't save me, don't save me  
Cos I don't care!  
Don't save me, don't save me  
Cos I don't care!

Until you give  
Until you've used  
Until you've lost  
Until you lose  
Until you see  
How could you believe

Until you've lived a thousand times  
Until you've seen the other side  
This is my chance, this is my chance!

Don't save me, don't save me  
Cos I don't care!  
Don't save me, don't save me  
Cos I don't care!

Until the truth becomes a lie  
Until you change  
Until you deny  
Until you believe

This is my chance, this is my chance  
I'll take it now because I can  
This is my chance, I want it now!

Don't save me, don't save me  
Cos I don't care!  
Don't save me, don't save me  
Cos I don't care!  
Save me, save me, save me  
Save me, save me, save me  
I don't care!
